Welcome

Welcome, home to quality furniture for everyday living. Since 1989, we have crafted fine American furniture in an array of styles, from modern to traditional with an antique, heirloom flair.

We are a family owned business, with three generations of woodworkers committed to handcrafted quality — piece after piece. All our materials are from reforested forests; we use pine from Maine and maple for our table and chairs for added richness and durability. We sell exclusively to dealers throughout the United States, and takes great pride in our “American Made” handiwork. We are prominently located in Lancaster, Pennsylvania — an ideal location from which to ship up and down the eastern seaboard, and the west coast.

Whether chairs, cabinets, tables, cupboards or chests and entertainment centers, we deliver quality furniture — from forest to home.
